### SUPPLEMENT TO PART I

## THE FORT ST. GEORGE GAZETTR

NADRAS, TUESDAY EVENING, AUGUST 25, 1925. (Pres, epic FINANCE DEPARTMENT.

NOTIFICATION

Part St. George, Asymt 25, 1825.
No. 171.—The following Generature: Order is published for information:—
0.0. No. 652, Pinanca, param for Appending.

[Latter from the Government of India, Pienzon Departimer, No. 438-Ex., 4868 18th Janury 1 105, invancing a list of softending sequencies for combot of expending aguinat benget pressures.]

In the letter rend above, the Government of India have held its Lossi Government immediately responsible to them for the control of expenditors against

tin budget allotments under the beads— 3, Salt. 22, Georal Administration.

27. Ports and Pilotage. 28. Ecclematical. 29. Political. 35. Public Heelth—Part summarine

charges.

37. Miscellancous Departments Endgration; Registrar of Joint Stock 61. Civil Works.
65. Suriouvey and Printing.
67. Miscolimeous, and
Refunds of Envisor under the Berrous
heals administered by the Local

Companies For the due fulfilment of this responsibility it is necessary that have of departments and other estimating officers corresponding to hears of departments who for the purposes of this order will beginning by called entrolling officers and at whose disposal the allotments are placed by the Local Gorgenment on receipt of the supptimed hadget for the year from the Government of India, should watch oretinually the progress of actual expenditure and liabilities and insustingly bring to the notice of Government may probable surings or excesses. A list of centrolling officers is contained in Appendix II to this Government Order. It will likewise be necessary for controlling officers to impose similar obligations on all dishursion officers under them. In the case of certain heads mentioned above. namely, Salt and Joint Stock Companies, detailed orders have already been issued in O.On. Nos. 226 and 649, Figuree, dated 25th June 1926 and 25th May 1925 respectively, with the convergence of the Government of India. In the case of 41. Civil Works, the issue of separate orders is under consideration. At regards the remnining heads of expenditure shown above, the procedure to be followed for watching the progress of expenditure is briefly sedireted in the following paragraphs. A list of primary units applicable in the case of Control expenditure other than 41. Civil Works is given in Appendix I to this order—see also paragraph 49 of the Book of Figsocial Fowers of the Government of India.

2, 23, hierard delaisocratics -The only expenditors unfer this lead is a long are eljested summity by the Accounted General. No special orders are

pecersary. S. 88. Eccleration. The Accountant General is requested to famish every month, as such as the necessary of the proving month have been made up, a statement of expenditure under the bean "Cappeled Payland," and "Cappeled Rayland," ment" to the Venerable the Architeren, and other "Church of Scotland" to the External the Presidency Senser Chapters, under the cuits ' Pay of Officers,' ' Pay of Britishment, and under receiving them under " fillowment " and " Grante ingid " With the sid of these figures the Venerable the Arabdeacou and the Berecoal the Presidency Scales Chaplain should, after due consideration of the probable thange in the personnel of officers on outy or laste, and of such other facts known at the time as may affect the year's expenditure, he in a position to estimate the probable avelogs or exce-ses and report them to theverdward. In the case of Davellog Allowscore, Contingues on and non-returning greats-maid, every drawing after result with the propose of exprediture against the alletment at his disposal with the said of saidable contingent or other registers and spould also actually one the behave of appropriation equilible before incurring expenditure. The Venemble the Archdoson or the Setected the Presidency Senier Cheplant, as the ture may be, should obtain a star-ment of expenditure incurred under "Contingencies," 'Traveling Allounces' and other non-overring expanditure from every drawing officer shout the 18th of the month following that to which the expenditure relates or or such other sustable date as he may fix and with the help of these statements match his programs of the consolidated expensions under each unit or item under his control. The Verible the Archdeseen and the Resected the Presidency Senior Chaple is should also compare, with the Accountent Goneral's figures, the expendibare under their respective control under the units (or items as the case may be)-Conferencies, Tratelling Allersons and other pre-recurring units or bean as worked out from the departmental returns, before the and of the month following that in which the expenditure is steamed.

Non-Theorem' recording and "successoring" approximate have been defined in Robe 1 (d) and (d) of the Rose of Theorem (Co. tak), as follows:— Sometimes operation gaves aspective material to a lawy one slarge, whether the untary in paid to a

#### Appending regard than to see all regard from which to pro-person country.

4, 19. Political.—The bulk of the expenditure under thit head is controlled by the Arent to the General Sectoral Nations States, who is not moder the control of the Government of Madeus. No special orders are necessary in the case of the lump wan payments by the Government of India to the Government of Madras on second of certain political establishments which we adjusted by the 'Accountant General. The remaining expenditure is incurred on account of Hu Majesty's Course at Predictory and Kersikel, the Parmeter of Carastic Stipseds, Refugees and State Prisoners and Demarcation of Boundaries between British and Frostier terretaries under ' Missellanousa'. These eyes are dealt with helow :-

(a) His Majesty's Change at Prodictorry and Kernikal.—Ris Majesty's Court should keep a record of all non-versiring expenditure, such as contingencies and travelling allowences, and watch the progress of expenditure under three units assist the slictments at his discount. As corned morring expenditure under the units 'Pay of Officers', 'Pay of Establishments' and 'Allevances' (excluding 'Travelling Allevances'), he may obtain figures from the Accountant General as toon sites the accounts of the month one made up as possible or maintain a progresave record of expenditure with the help of the office perios of the bills. The latter everse is recommended as His Majesty's Council has apparently not more than 2 or 3 bills on su average to deal with early mouth.

(b) Paymester, Carnatic Stepends and Stigend Pay Officer, Vollage ... Same remarks as in the case of His Majesty's Consul at Pondicherry and Karnikal. (c) Refuges and State Pranners.—The bulk of the expenditure under this tions numered for the purpose.

(d) Discontinuity of Secularies belows: Brillah and Franker territorist.—The expenditure under this bred does not over void-mady musth after month. The Beard of Bereines, Settliments, if expected to waith the proceeds of expenditure against the state of the secularies of the secularies

to preceive to 1720-20: the property and no canonese schooling and increase by preceived.

5. St. Pakke Hanith.—The Decetar of Public Health should arrange to obtain from the departmental debusing efficers tentered monthly returns of expensions incorred against appropriator, and after consolidating than such the progress of

expensions under such unit.

6. 27. According Physicisch - Buignatios - External and Internal - The conditions an similar to hoose of the Endostated Deportment. The Commissions are similar to hoose of the Endostated Deportment. The Commissions are such as the Commission of the Comm

considers the information time chained and which the progress of expenditure make such and superprinting.

7. 16. Stationery and Printing—Orders have already been invest in GO, No. Stat 464.1, Tumous, state 12 miles haven y 12% and 126 June 129%, billion to freprintations of Stationery and the Superintendent, Contraining Prince, responsible for the state of the Parties distribution of alleadours was seen in the state of the state

 47. Nitrediscous.—The Accountent General is requested to watch the exercises of expenditure and bring to the assise of Government probable seriogs or exercise.

 Referris of Rossus.—Controlling officers should obtain figures from the Accountant General notes the best and report to Government as 2000 as a surrecular or an excess is satisfactor.

10. Branchiston—As son as the seconds of a menth far closed, but accounted General will farmed each enterfalling settlerity mentioned in Appendix II with a caught's talement of his charge. In these zero in which department, II with a caught's talement of his charge. In these zero in which department, II will be caught as the comparation of the contract of the c

 Fours of Reappropriation.—At present no powers here been delegated to all filter subsclinate to the Loral Government nor does now delegation appear to be necessary.

Units of Appropriation (Primary) for Omtral (dgewy) expenditure.

- Pay of Officers.
   Pay of Establishments.
   Allen onces, heatersts, etc.
- Albu once, ingressia, etc.
   Supplies and Services.
   Continguates
- 6. Greate in vis, Contributions and Dountiess. 7. Works.
